

### REMARKS

The present amendment corrects the markings in claim 1 in that the deleted matter is shown by strike-throughs rather than by bracketing. The listing of claims in this amendment should therefore replace the listing of claims in the July 25, 2005 amendment. Applicant respectfully submits that the current amendment raises no new matter issues.

Applicant believes that no fees are required in connection with this Response. However, if any fees are required, the Patent Office is authorized to charge Deposit Account No. 01-1425.

Respectfully submitted,
